

Uniform Shop Information Emmanuel College Summer 2017

The Uniform Shop at Emmanuel College will remain open on Tuesdays and Fridays until the end of term in July. During the summer holidays we replace the standard opening hours with an enhanced service, details of which can be found here.

Appointments

An appointment may be booked for any student but we particularly recommend appointments for all new starters. This provides the very best opportunity to discuss uniform with our staff and to make purchases in a relaxed environment.

We have introduced a new online appointment booking system this year to make the booking process easier than ever before. Full details of how to make an appointment along with the available dates can be found in the panel opposite.

Appointments - which will last approximately thirty minutes - must be booked in advance and are available on a first-come, first-served basis. Items selected at an appointment may be purchased on-the-day or can be reserved for collection and payment at the end of the holidays if preferred.

Open Selling Days

Appointments are not required to attend an open selling event. This year's dates can be found listed in the panel opposite.

Please be aware that these events can be extremely busy, especially towards the end of the summer holidays. The final opportunity to purchase uniform prior to the start of term is **Thursday 31 August**. We expect this event to be particularly busy and recommend that you visit us on an earlier date or make an appointment.

Order Forms

If you are unable to book an appointment or attend one of the selling days, you can use an order form instead. Copies are available from the reception desk and downloadable from the uniform section of Emmanuel College's website. Simply complete the form and return it to reception no later than Monday 14 August and we will contact you when your order is ready for collection and payment.
