IMPORTANT

Please note timetables are subject to change, individuals should check details with the relevant operator before travel.

The buses listed above come into the Emmanuel College turning circle. Where students using alternative buses are required to cross the road, they should cross Whickham Highway at the point patrolled by the traffic control warden. This important road safety rule will be strictly enforced for all students.

Please note timetables are subject to change, individuals should check details with the relevant operator before travel.
