

Emmanuel College

7 September 2018

Dear Parent

**Geography visit to Malham Tarn FSC
Tuesday 25 to Friday 28 September**

After a busy and productive year for our Year 12 geography students it is now time to turn our attention to our Year 13 course and all that lies ahead this coming academic year. As you are aware, a major part of this year's course is our upcoming visit to the Malham Tarn FSC in the Yorkshire Dales which takes place between Tuesday 25 and Friday 28 September.

All students will complete field work data collection that is crucial to their coursework to be completed this year. They will also have time to start some data analysis and will complete their write up back at College of the coming months.

Thanks to all parents for your swift payment for this visit and I would now ask you to [click here](#) to acknowledge Emmanuel's Behaviour contract, complete the parental consent and medical information, and to read the College's Visits Terms and Conditions (including non-uniform dress code). Please could you complete all forms **by Wednesday 12 September**.

If you have any questions concerning the visit, please do not hesitate to contact me.

Yours sincerely

L Yellowley
Head of Geography
