

EMMANUEL COLLEGE

Emmanuel Schools Foundation

26 April 2019

College Prayers: Tuesday 30 April, 5:30pm

You are warmly invited to join us for College Prayers on Tuesday 30 April, being held at 5:30pm in the lecture theatre. This is an opportunity for the whole College community - students, staff, parents, friends and alumni - to give thanks for the events of the past term and commit the future life of the College to prayer. Refreshments will be served after the service, which should last approximately half an hour.

Skiing in the French Alps

The biggest Emmanuel ski visit to date took place during the Easter holidays, with 65 students heading to Val Cenis in the French Alps, close to the Italian border. All students had a brilliant time and made good progress with their skiing. In addition to time on the slopes, the group enjoyed a range of fun activities including fancy dress, bowling, sledging, snow football and tube-jumping.

Gala Concert: Wednesday 1 May, 7:00pm.

Don't miss this marvellous medley of musicians!

Please join us for our annual Gala Concert which takes place on Wednesday 1 May, starting at 7:00pm. You will be treated to an exciting and varied programme of classical pieces and musical theatre numbers from our College choirs, orchestras and ensemble groups. We will also be showcasing our talented soloists, newly-formed barbershop quartet, 'Quarter Tones', and much more! For some of

our Year 11 and 13 students, this will be their last opportunity to perform at an Emmanuel College event, so please come along and support them. Tickets are not required for the concert, with seats being allocated on a first come, first served basis. A retiring collection will be taken.

Bringing science to life in primary schools

Last term, Mr Oakes from our Science department paid a series of visits to local primary schools as part of a special project to introduce pupils to more advanced science. [Riverside Primary Academy, Brighton Avenue](#) and [South Street](#) pupils in Years 5 and 6 had the unique opportunity to learn from Mr Oakes about fascinating topics including the digestive system, magnetic forces and combustion.

Golfing skills down to a tee

Young golfer Ross Greger (Year 10) proved his skills by coming in first place in a recent county golf event. Ross, who plays for Ponteland Golf Club, won best net score category at the junior event of the Northumberland Union of Golf Clubs at Newbiggin earlier this month. We wish him every success for future competitions!

Anyone for tennis?

Last night saw 13 students take up the opportunity to begin tennis coaching at Emmanuel. Mr Newton (Gateshead Tennis coach) came into College to offer a free taster session to a range of students in Years 7 – 12. Despite the initial bad weather, the students were able to take advantage of the College's new tennis nets and had a great time. For many, it was the first time they had even held a racquet. If any students would be interested in learning a new sport, please see Mr Ingham on Monday to sign up. Mr Newton is offering the 10 week course of tennis coaching on Thursdays at Emmanuel from 4:00-5:00pm.

Co-curricular Sports Clubs

Please note that all Co-Curricular Sports Clubs are now up-and-running. Please see the Summer Term 2019 Practice Sheet for details. [Read more](#)

Teaching staff vacancies: Computing and ICT and Chemistry

We currently have vacancies in College. For full details and an application form [read more](#)
