UK economic outlook

Forecasting economic growth is never easy; however, throw into the mix political turmoil and the ongoing Brexit debacle, and economic forecasting appears impossible. Fortunately, alumnus Mr Ross Lillico, Associate Director, Lichfields, was on hand to provide some clarity with regard to the likely direction of travel for the UK economy. The good news is that even the most pessimistic OBR forecasts for economic growth are nowhere near the enormous peak-to-trough falls experienced during the 2008 financial crash. The bad news is that the usual caveats for forecasting apply!

Uniform Shop opening times

The Uniform Shop at Emmanuel College is open every term-time Tuesday and Friday 12:30pm-4:30pm until the end of term in July. During the summer holidays the standard opening hours are replaced with an enhanced service comprising appointments and selling events. [Click here](#) for further information.

Parking to drop-off and collect students

I respectfully ask parents to make greater use of the car park off Whickham Highway adjacent to the Council nurseries to collect or drop off their child. Parents must not park on the yellow 'Keep Clear' lines outside the College entrance; this is illegal and potentially extremely hazardous. From time to time the police check and caution parents parking outside of Emmanuel and other schools in Gateshead. Students are strictly forbidden to cross Consett Road opposite the College entrances for safety reasons. We instruct students only to cross Consett Road at the pedestrian crossing next to the junction with Whickham Highway. We also ask parents not to park outside houses on Consett Road or on Malvern Gardens, as this prevents residents from parking near their own homes. Inconsiderate parking by parents not only jeopardises the safety of our students but causes unnecessary inconvenience to residents and serious embarrassment to the College. Thank you in anticipation of your co-operation in order to ensure a safe environment for all of our students and a strong relationship between us and our closest neighbours.
