Dear Parents and Carers

Once again, it has been a remarkable day in College. I cannot praise our students and staff enough for the mature, caring and wise approach they have taken at this challenging time. I would also like to thank parents who have passed on their thanks and encouragement throughout the week. This means a great deal to me and to the staff team.

You may have heard that the Government has issued guidance in relation to Year 11 and Year 13 qualifications which can be found [here](#). I can assure you that we will do everything we can to ensure this process is managed fairly and the students get the grades that they deserve.

I am also delighted to be able to provide you with a [link](#) to the first of our video messages in which I have sought to provide some guidance as to how to get set up for next week.

Yours sincerely

Matthew Waterfield
Principal
