

EMMANUEL COLLEGE  
*Emmanuel Schools Foundation*

22 May 2020

Dear Parents and Students

I do hope that you are well. Although this has not been the half term we would have planned it has, in so many ways, been a good half term! There is so much we should be thankful for as we look back on the last few weeks.

It is a pleasure to be able to share some staff news with you and announce that Miss Maily will be joining the Languages Department in September following an interview process this week. Many of you will remember Miss Maily who was a trainee with us in 2018-19 and will, therefore, share my enthusiasm for her joining the team.

I would like to share [this presentation](#) with you and ask that at some point over the next few days you take some time to view this. It contains important information about our current plans for the next few months and, in particular, gives an outline of our plans for wider opening for students in Year 10 and Year 12.

It is important to note that these plans remain conditional on a confirmation of expectations from the government which we expect on Thursday 28 May and approval from the ESF Trust Board which will be given after this time. We will, of course, keep you updated with any developments.

We look forward to taking some time out next week during the half-term break as we rest and prepare for the final half term of the year during which there will be much for us to do.

May I wish you and your family all the very best at this time.

Yours sincerely

Matthew Waterfield  
**Principal**
