

EMMANUEL COLLEGE
Emmanuel Schools Foundation

15 September 2020

Dear Parents and Carers

As you know, we have sought to be as open and informative in our communication as possible with all members of the College community, believing that it is only by working together that we will be able to manage this difficult time effectively.

I would therefore like to inform you that we have had a confirmed case of coronavirus today in Year 8. I can confirm that all those who have been in close contact with the affected case during the contagious period have been asked to self-isolate for 14 days in line with government guidance. There is no need for students to stay at home unless they have been specifically told to self-isolate or they are displaying coronavirus symptoms.

I can assure you that we will continue to do all we can to ensure that students and staff are as safe as possible while at school.

Yours sincerely

Matthew Waterfield
Principal
