*Emmanuel Schools Foundation*

3 February 2021

Dear Parents, Carers and Students

I am delighted to be able to inform you that the Emmanuel College Sixth Form Open Evening will take place on **Thursday 11 March, 6:00-8:00pm**. Unfortunately, this will not take place in College this year but will be held virtually, the details of which are below. This invitation is open to all Year 11 students at Emmanuel College, and also all students from other schools who are interested in joining our Sixth Form.

Every year we are fortunate to have students from other schools join our Sixth Form community, and we are immeasurably strengthened because of this. Any students that are interested in joining Emmanuel Sixth Form are encouraged to join us for our Virtual Open Evening to find out more.

Our Virtual Open Evening will comprise two parts:

- On **Monday 1 March** the Sixth Form Opening Evening page will go live on our website, the link will be shared by email on this date. The website page will include presentations for each subject to help students make informed decisions about their choices next year. The page will also include information about life in the Sixth Form. I would encourage you to watch these videos in advance of the Open Evening. If you have questions about specific subjects or life in the Sixth Form after you have watched the presentations, you will have the opportunity to send these to us via a form which will be shared with you by email along with the website link. There may be an opportunity to meet with subject teachers virtually during the open evening or hold a telephone conversation to answer your questions and queries, which will be booked in before 11 March.
- On **Thursday 11 March**, you will be able to join an online webinar at 6pm when Mr Waterfield and I will talk about what life is like in the Emmanuel Sixth Form, as well as explaining the application process. The webinar will be recorded and published on our open evening page so that this can be watched again. Following this, pre-arranged virtual meetings and phone calls will take place.

I will write to you again on **Monday 1 March** with the details of how you can access the presentations and webinar on **11 March**, and also how to send any further questions to us.

We are in the process of finalising the Sixth Form Prospectus for 2021-2023 and I will write to you when this is available.

Yours sincerely

Mr J Lloyd  
**Head of Sixth Form**
