

EMMANUEL COLLEGE

Emmanuel Schools Foundation

12 February 2021

Dear Student

I write to you six weeks after you were given the news that your final year of secondary school will not look how we expected. Most of you have studied at Emmanuel College for five years, but a good number of Year 11 students have also joined at various points in that time. Whether it has been five years or two, I am sure you have felt mixed emotions over the last few weeks. Although the examination period will not be how you were expecting, I want to reassure you that all the efforts you have, and are putting in are not in vain. I fully understand that on some days you are happy that you don't have to do any exams, yet on other days you will be disappointed that the opportunity to show what you can achieve has been taken away. However, as we await more details about assessment of your progress, it is important to remember that each piece of work that you do now is vitally important.

As we do not yet understand how the restrictions upon us will change in the near future, we cannot confirm any arrangements for the end of Year 11, including events that we would normally hold in College. With this said one way we like to celebrate your time at Emmanuel College is by producing a yearbook, with photos and other information about you and all the students in Year 11. Leavers hoodies can also be ordered to mark your time here at Emmanuel College. If you would like to order a hoodie or Year book (or both) please read the below information.

Year 11 'Class of 2021' Hoodie

The leavers hoodies are something which you will be able to wear with pride after completing your final year in compulsory education. There is a choice of colour and, of course, size. The samples will be available to view at the online uniform shop. The cost of the hoodie is £19.95.

Class of 2021 Book

At the end of the year, many students in the past have brought in a book to collect comments and messages from friends and teachers. This year, we have again enlisted a company to produce a Class of 2021 Leavers Book. This book will contain photos from school visits, events and activities over the years, as well as a number of personal photos. There will be pages included to enter personal comments and messages, details of how to send these to us will be confirmed following the half-term break. The Leavers Book will cost £14.00. [**Click here**](#)

If you would like to contribute a photo (or two) to the yearbook, please send them to: Year11Photographs2021@emmanuelctc.org.uk. These photos should be non-edited photos, e.g. Snapchat photos with added effects would not be appropriate.

To ensure we receive delivery at the appropriate time, orders for both the leavers books and hoodies should be placed and paid for with the online uniform shop **by Friday 12 March**. Please note, the shop is currently closed but orders and payment can be made with effect from 15 February using the link <https://emmanuel-school-foundation.myshopify.com/>

On behalf of Mrs Buckley and myself, we want to thank you for your commitment over the last half term. As a year group you have worked with enthusiasm and dedication and of course we urge you to continue to demonstrate this in the coming months.

Yours sincerely

Mr P Ingham
Head of Year 11
