

EMMANUEL COLLEGE
Emmanuel Schools Foundation

30 April 2021

Dear Parents and Carers

I am writing to share with you the arrangements for the Year 13 assessments that are scheduled to take place from Monday 17 May to Tuesday 25 May inclusive. You will find a copy of the timetable at the end of this email. The timetable has also been published to ITSLearning and the parent portal.

Full attendance is expected and required to ensure we have the evidence to complete the grading process, and we ask you not to book any medical or other appointments during this period. These assessments will form an important part of our evidence and their completion is, therefore, in the best interests of each student and I would hope that we have full attendance throughout. Wednesday 26 May will be the final day that students will be expected to attend school, although students should be available to attend school until Friday 18 June.

On days when students do not have exams, they are required to attend school and follow their usual timetable where teachers will allow them to revise.

The assessments will take place in the sports hall under formal examination conditions. Students must ensure that, when taking an assessment, they do not use any unauthorised materials such as a mobile phone, smart watch or notes. Students will be reminded to place these materials in their bag at the start of their assessments. Students should only have on their desk a see-through pencil case containing their equipment and a clear water bottle (with the label removed if necessary).

Students should continue to work hard and prepare fully for these assessments, as they would do in a normal examination year. I would expect students to be spending around 2 hours per day revising at home from now until the end of their assessments, with more time being spent at the weekend.

If there is anything that students are unsure of, or need help structuring their revision, they should ask their teachers in the first instance.

Our students have been preparing extremely well at school as a year group and these final assessments should be an opportunity for everyone to show what they can do. I wish each of them all the best and following this period and hope that they fully enjoy the long summer break.

If there are any questions, you are welcome to contact us to speak with any member of the Sixth Form Leadership team.

Yours sincerely

Mr N Ogborn
Acting Principal

Year 13 Examinations – 2021

All exams are in the sports hall unless otherwise stated.

| | Start Time: 9.15 a.m. | Start Time: 1.00 p.m. |
|-------------------------|--|---|
