

EMMANUEL COLLEGE
Emmanuel Schools Foundation

28 May 2021

Dear Parents and Carers

As this half term comes to a close, I want to share my best wishes to all our Year 11 and Year 13 students who we said farewell to this week. They approached their final assessments with great maturity and should feel very proud of the way they have conducted themselves during what has been an incredibly challenging year for GCSE and A-Level students.

This week has, unfortunately, been a sobering reminder that COVID is still very much present within the local community, with a significant number of positive student cases identified since Monday. We have been working closely with Public Health Gateshead and they have requested that we share with all parents and carers **this advice**; please do take a moment to read this as it contains important guidance for all households over the half term break.

I also ask that parents and carers continue to keep us informed over the half term if your child tests positive for COVID via a PCR test; please email reception@emmanuelctc.org.uk.

When we return to College on Monday 7 June, we look forward to not only welcoming back our students, but also Mr Waterfield, who has recovered well from his operation. In the meantime, I would like to wish everyone an enjoyable and restful half term.

Yours sincerely

Mr N Ogborn
Senior Vice Principal
