

EMMANUEL COLLEGE
Emmanuel Schools Foundation

11 June 2021

Dear Parents and Carers

Prior to half term I wrote to you to launch the GCSE options process for Year 9 students. I hope you found the information on the GCSE options page of our [website](#) useful.

Now that students have completed their Year 9 exams, I would like to invite them to let us know which options they would like to study for GCSE. **They should do so using [this form](#) by Friday 18 June.**

Over the course of the next few weeks, each student will be invited to a one-to-one meeting with a senior member of staff to discuss the options choices they have requested. I would also encourage students to speak to their teachers if they have any subject-specific questions about the options they are considering.

Final option choices will be confirmed to students and parents by Tuesday 13 July.

Yours sincerely

Mr D Ridley
Assistant Vice Principal (Academic)
