

EMMANUEL COLLEGE

Emmanuel Schools Foundation

1 December 2021

Dear Parents/Carers

This week during tutor time students will be able to select their co-curricular preferences. The information below provides parents with an overview of how co-curricular activities will be timetabled next term so that, this evening, you can support your child in reviewing their choices. There are some activities that may extend beyond 4pm and, therefore, as parents you will want to be aware of what your child plans to choose in case this affects travel plans.

We are thrilled that we have been able to offer such a wide range of co-curricular activities for all students this term and, although we have had some disruption due to covid-19 restrictions which have prevented some activities taking place, we are committed to delivering a broad co-curricular and academic support strategy during the 3:05-4pm lesson from Monday to Thursday. Almost every student engaged in at least one co-curricular activity this term and over 800 students engaged in more than one activity. Next term we would like all students to be able to engage in at least one co-curricular activity. To support this we have developed a broad activity plan that refines some of the ways in which activities take place so that, for many activities, students will be with other students from their own year group.

Please [click here](#) to see how the activities lesson will be organised next term.

Yours sincerely

Mrs R Hooker
Vice Principal
