1 December 2021

Dear Parents and Carers

The NHS Immunisation Team and Regional Covid Vaccination Team will be in College on **Tuesday 7 December 2021** administer the Nasal Flu and COVID vaccinations for students who are aged 12 to 15 and have not yet had their vaccinations.

The Immunisation Team will use the Nasal Flu consent forms which were completed and handed in earlier this year. Please contact the team directly on 0191 402 8179 if you have any queries regarding this.

If you would like your child to have the COVID vaccination, the Regional Covid Vaccination Team have requested that the electronic consent form be **completed by 12 noon on 6 December**. Please see the letter [here](#) from the CPVOD Vaccination Team and follow this link to complete the consent form <https://forms.office.com/r/VFHTEk2vNN>

The vaccination teams have asked that on the day of the vaccinations, students wear short sleeves shirts or a white short sleeved t-shirt under their shirt to ensure that as many students as possible can be vaccinated on the day without delays.

Yours sincerely

Mrs G Richardson
