

5 April 2022

Dear Parents and Carers

### Post-16 Choices - Sixth Form, training or employment

The [online event](#) we held earlier this term gave the opportunity for our Year 11 students and their families to learn more about studying in the Emmanuel College Sixth Form and the post-16 courses that students can study here. At this stage in the year, we would like to find out each student's planned post-16 destination, their subject preferences, and their career aspirations.

Below is a list, in alphabetical order, of the subjects we **may** be able to offer in the Sixth Form from September. Further detail about each of these courses can be found in our [prospectus](#) and through the videos available [here](#) on our website. The final list of courses we will be able to offer will depend on the level of interest and capacity to offer the combination that students have requested. In these situations, we will meet with students to understand their plans and seek to resolve the situation by considering alternatives.

Art	German
Biology	Graphic Communication
Business (BTEC) – <i>equivalent to 2 A Levels</i>	History
Business Studies	ICT (BTEC) – <i>equivalent to 1 A Level</i>
Chemistry	Latin
Design and Technology: Product Design	Mathematics
Drama	Music
Economics	Physics
English Language	Politics
English Literature	Religious Studies
Engineering (BTEC) – <i>equivalent to 3 A Levels</i>	Science (BTEC) – <i>equivalent to 2 A Levels</i>
French	Sports and Physical Activity (CTEC) - <i>equivalent to 1 A Level</i>
Further Mathematics	German
Geography	Graphic Communication

I know that these decisions aren't always easy, so students should ask for advice from their teachers to help guide them through their choices beyond GCSE.

I would be grateful if you, with your child, could complete [this form](#) by Monday 25 April 2022 to let us know what your son or daughter intends to do in September.

If you have any queries, please don't hesitate to contact myself or Mr Ingham, Head of Year 11.

Yours sincerely

Mr J Lloyd  
Head of Sixth Form
