

**EMMANUEL COLLEGE**  
*Emmanuel Schools Foundation*

6 June 2022

Dear Parents and Carers

### **Year 9 Examinations and Options**

I would like to give you advance notice that the annual **Year 9 examinations** will take place during the week beginning **Monday 27 June**. Please [click here](#) to view the examination timetable, students can also access the timetable via ITSLearning. It is important that your child is now working hard to achieve maximum success in these examinations. Full attendance during the exams is expected and we ask you not to book any medical or other routine appointments during this period. Any students who miss exams due to absence will need to complete the exams as soon as possible on their return and this may mean that the exams run over lunchtime, breaktime or even run after school, in order for them to complete any missed exams. It is everyone's interests to sit the exams in their scheduled slot.

The curriculum for each subject is available on our website [here](#) and each department will publish what content the exam will assess, along with any revision resources, on the relevant subject pages on ITSLearning. I would be grateful if you would set aside time to discuss at home the content of the exams and the scheduled revision over the coming weeks. It is important for your son or daughter to take these upcoming exams seriously. An annual report will be issued on Monday 18 July.

**This is a reminder that the GCSE Options Evening is tomorrow, Tuesday 7 June. This event is taking place online.** To access the event, which starts at **6pm**, please click on the link [HERE](#). There will be the option to ask questions – please use this email address [reception@emmanuelctc.org.uk](mailto:reception@emmanuelctc.org.uk) to ask any questions on the evening. Please do join us to find out the next steps in the curriculum. Our options booklet details the courses on offer for students in Year 10 and 11 and is published on our website [here](#). This is accompanied by videos from staff and students describing the courses. The deadline for students to make their option choices is **Friday 8 July**.

I very much hope that you will encourage your child as they prepare for their annual examinations. With every best wish to you and your child at this important and exciting time in their schooling.

Yours sincerely

Mr D Ridley  
**Assistant Vice Principal (Academic)**
