

EMMANUEL COLLEGE
Emmanuel Schools Foundation

5 July 2022

Dear [RecipientTitle] [RecipientSurname]

[StudentForename]'s Year 7 report containing results for the recent trial examinations is now available via our parent portal, My Child at School, and can be accessed via our website. These results will identify strengths, as well as areas which need some attention, following [StudentForename]'s first year of education at Emmanuel. We aim to use these results and the deeper analysis to support our academic plan in all departments to ensure all students are where they should be over time.

If there are particular concerns or questions you have in individual subjects, please do get in touch with the Heads of department or the classroom teachers who will be happy to help.

I trust that you will find the report helpful. Should [StudentForename]'s progress be of concern, we will arrange a time to meet with you to discuss how we may work together in partnership to support [his/her] growth in character and progress towards GCSE target grades.

Yours sincerely

Mr D Ridley
Assistant Vice Principal (Academic)
