

EMMANUEL COLLEGE
Emmanuel Schools Foundation

Dear [RecipientTitle] [RecipientSurname]

Life in school and life at home directly impact one another both positively and negatively. At Emmanuel College we would like to work with parents and guardians to ensure that all students are able to lead flourishing lives where they are supported by both school and home environments. As an aspect of our personal development, we have a focus on helping embed good lifestyle habits with regards to screen use, sleep, and healthy living, and in the formation of good character (developing integrity, resilience, and courage etc). These are all aspects of life which are massively influenced by life outside of school. As such, we would like to see whether there is significant interest in providing either online resources or hosting parent information evenings on these areas.

Please [click here](#) to complete our survey. The survey is to seek information on how best to support both students and their parents.

Yours sincerely

Mr K Primrose
