2. Reach out to your teachers – if you are worried about particular subject, speak to your teacher, or see Mr Ingham or Mrs Buckley or the Student Support team.

3. Get organized“! Set aside time each day to revise / create a revision timetable and create a dedicated study space at home: table, chair, light.

4. Know your exam dates – Trial Exams begin on 14th November (7 school weeks).

HOW DO I GET GREAT RESULTS?

WHAT CAN I DO NOW?

5. SLEEP: you need at least 8 hours to function well.

6. Eat well: regular nutritious meals e.g. have breakfast rather than an energy drink or packet of crisps! Get up early to have enough time to have breakfast- start the day well.

7. Set aside time for you: e.g. don't go to bed having just finished your work – try and wind down. Have a nice bath, some TV time or some reading. Keep your hobbies – e.g. a sport, going to the gym or time out with friends.
