Dear [RecipientTitle] [RecipientSurname]

Physical Education and Sport Fixture Consent

At Emmanuel College we strive to offer a varied and extensive extracurricular sports programme that is accessible to all students. As part of our ongoing plan to develop the extracurricular activities that we offer, it is important that College has consent for students who would be attending sporting fixtures or events during and outside of College hours.

Please [click here](#) and complete the form for [StudentForename] to attend sporting extracurricular activities.

Please contact me if any of the information you have provided changes, as it will be used until August 2023.

Yours Sincerely

Mr J Foster
Director of Sport
