Dear [RecipientTitle] [RecipientSurname]

Year 11 Rehearsal GCSE Examinations

Following the recent Year 11 Academic Consultation Evening, I am writing to remind you that the rehearsal GCSE examinations take place from **Monday 13 February** to **Friday 3 March** inclusive. Full attendance during the exams is expected and we ask you not to book any medical or other routine appointments during this period.

I strongly recommend that revision for these exams should begin now, if it hasn't already. In many cases, the homework that is currently being set by subject teachers can also be classed as revision for that subject. You will find a copy of the timetable [here](#) and it will be made available to all students via *It's Learning*. Revision material will also be made available by subject teachers on *It's Learning*. We hope this will prove useful as students begin their revision.

In preparation for the examinations, I have recommended that all students should use their time in school well, which includes maximising their time for independent studies both before and after school.

On the basis of these examinations, and on the work done during the course of this academic year, results will be issued on **Friday 17 March**.

Yours sincerely

Mrs R Hall
Vice Principal (Quality of Education)
