

EMMANUEL COLLEGE
Emmanuel Schools Foundation

22 March 2023

Dear [RecipientTitle] [RecipientSurname]

It was fantastic to welcome so many Year 11 students from both Emmanuel College and other local schools into College yesterday for our Sixth Form Open Evening. Students were able to discover what our Sixth Form offer involves and explore the wide range of courses we have available to study by speaking with teachers, current students and some of our alumni.

We would like to now invite all students to let us know their plans for next year by completing [this form](#). This form should be completed by all Year 11 students, regardless of whether they intend to continue to study at Emmanuel, so that we can support all students with their intended next steps.

For any parents, carers or students who were unable to attend last night, we have on the Sixth Form section of our website our [prospectus](#), information about each of the [courses](#) we are offering for 2023-25 as well as short [video](#) where you can learn more from our students and staff about why Emmanuel College would be a great place for students to continue their studies.

I would like to thank all those who came last night to explore what life is like in the Emmanuel Sixth Form and hopefully look forward to welcoming many of you in September.

Yours sincerely

Mr G Clarke
Head of Sixth Form
