

**EMMANUEL COLLEGE**  
*Emmanuel Schools Foundation*

16 June 2023

Dear [RecipientTitle] [RecipientSurname]

**Languages Curriculum for Year 8 students going into Year 9**

At Emmanuel College, we believe that language learning is a core component essential in the education of every student. As students move from Year 8 into Year 9, we are offering students the opportunity to either:

<b>Option 1</b>	Continue with [StudentForename]'s current curriculum, studying two languages.
<b>Option 2</b>	Specialise with the study of one language in Year 9 in preparation for choosing this language as a GCSE option.

Students who continue with two languages will receive two periods a week for each language.

Students who specialise in one language, will receive four periods a week for that language.

If [StudentForename] has a genuine love of language learning, has demonstrated a high level of aptitude towards languages and will likely choose to study two languages to GCSE level, we would recommend Option 1.

Please indicate your preference by completing [this form](#) by **Friday 23 June**.

Yours sincerely

Mrs R Hall  
**Vice Principal – Quality of Education**
