*Emmanuel Schools Foundation*

8 September 2023

**Co-curricular autumn term 2023 - 2024**

Dear [RecipientTitle] [RecipientSurname]

I am delighted to be able to write to you with information about this term's co-curricular activities at Emmanuel College. Engagement in these broader activities provides exciting opportunities for students to develop their knowledge, skills and confidence across a wide range of interests and activities.

The full programme of activities can be seen [here](#). There will be some more activities added through the course of the year.

Please discuss these options with your son or daughter. Next week students will have an opportunity to go along, find out more and sign up for activities with the teachers involved. We will do what we can to accommodate as many students as possible.

Please note that students are also able to stay after school in the library or open area.

Unfortunately, there is a limit to the number of students we can accommodate for some activities, but we will endeavour to provide a broad range. If your son or daughter is unsuccessful at gaining a place on a co-curricular activity this term, please encourage them to re-apply in future terms.

Please note that almost all activities are free. For activities where there is a nominal charge involved to cover costs, we divide the cost equally between the number of students involved. A free introductory session is offered to students before you commit to paying for the whole term. Costs to cover a coach are usually in the region of £3-£4 per session.

If you have any queries about this, please contact me at [reception@emmanuel.ctc.org.uk](mailto:reception@emmanuel.ctc.org.uk)

Your sincerely

Mr A Cowling  
**Assistant Vice Principal (Personal Development)**
