7 September 2023

Dear Parents and Carers

Year 12 Information Evening
12 September 2023, 6:00pm – 7:30pm

In the first instance, may I take this opportunity to welcome you to the Emmanuel College community. I trust your child has settled in well and made a strong start to their sixth form career.

I write to confirm the arrangements for the Year 12 Information Evening. This event is not an Academic Consultation Evening to discuss your child's academic progress, rather an opportunity for the Senior Management Team and Sixth Form Leadership Team to update you regarding the significant procedural changes that have been introduced to enhance your child's sixth form experience. During the evening, you will hear from staff and students, and we look forward to answering your questions.

This **online** event begins at 6:00pm. Please [click here](#) to join.

Yours sincerely

Mr G Clarke
Head of Sixth Form
