

EMMANUEL COLLEGE

Emmanuel Schools Foundation

26 January 2024

Dear [StudentForename]

With only 12 school weeks remaining until the external exam series begins in earnest, I write to bring you some lighter news. As has become tradition, and by way of remembering your time at College, you can now order a leavers hoodie.

Year 13 'Class of 2024' Hoodie

The leavers hoodies give a sense of belonging to the school and the school community. They are a reminder of a key time in your life, even years after you have left. That list of names on the back will mean you don't forget anyone from your year – even if sometimes you do have to think quite hard! A range of colours and sizes are available, and samples can be viewed online. The hoodie is priced at £24.

To ensure we receive delivery at the appropriate time, orders for the hoodies should be placed and paid for via the [online uniform shop](#) by **5pm, Monday 4 March**.

Please [click here](#) to opt out of having your name displayed on the hoodie.

Thank you for your hard work, particularly in recent weeks, during the trial exam series. We will do everything possible to support you during the remaining weeks of your Emmanuel career. The weeks leading up to the summer exams will pass very quickly. Please continue to focus your efforts on the external exam series.

Yours sincerely

Mr G Clarke

Head of Sixth Form
