

EMMANUEL COLLEGE
Emmanuel Schools Foundation

4 March 2024

Dear Parents and Carers

We are committed to delivering the best possible curriculum that we can with the resources made available to us whilst ensuring that our schools are also great places for staff to work. We want to maintain the ambitious, broad, and balanced curriculum offer that has been central to the success of Emmanuel College for many years and extend the co-curricular offer further so that all students can achieve a true personal best and grow in character.

We propose several small changes to the organisation of the school day and curriculum offer at Emmanuel College, that we believe will have a positive impact on the quality of education that young people receive, improve staff and student wellbeing, and provide more time for the co-curriculum without compromising on the taught curriculum.

In line with our commitment to build a strong partnership between all stakeholders, we would like to hear from staff, parents/carers and students regarding the proposals set out [here](#). All stakeholders can submit their feedback via [this link](#) until **Monday 18 March** at 8:00am. We ask for your support in assisting your child to access the proposal and feedback form.

Thank you for taking the time to read and respond to these proposals.

Yours sincerely

Mr M Waterfield
Principal
