Dear [RecipientTitle] [RecipientSurname]

College Prayers – Tuesday 7 January 2025 5:30pm

As you will be aware, we have a termly College Prayers event at Emmanuel College. This is a great opportunity to come together as a community to sing two hymns, listen to a short reflection and words of prayer, and enjoy delicious refreshments after the event.

To accompany the two hymns, there will be a student orchestra. There will be a reflection from a current Emmanuel parent and some of our students will lead the prayers. College Prayers has been a part of Emmanuel's history for several years. It is a very special occasion, and I would really encourage parents and students to attend.

The new term starts for students on Tuesday 7 January 2025 and College Prayers will also take place on this date, commencing at 5:30pm. It will last about half an hour and will be followed by refreshments.

Yours sincerely

Mr N Ogborn
Head of School
