5 September 2025

Dear Parents and Carers

Physical Education and Sport Fixture Consent

At Emmanuel College we strive to offer a varied and extensive co-curricular sports programme that is accessible to all students. As part of our ongoing plan to develop the co-curricular activities we offer, it is important that College has consent for students to attend sporting fixtures or events during and outside of College hours.

Please [click here](#) to provide consent for your child to attend sporting co-curricular activities; please complete the form by no later than **Friday 26 September**.

Yours sincerely

Mr J Foster
Head of PE
