

EMMANUEL COLLEGE
Emmanuel Schools Foundation

13 March 2026

Dear [RecipientTitle] [RecipientSurname]

We are currently in the early stages of planning a sponsored coastal walk in support of our students' chosen charity, [MIND](#). The proposed date for this event is **Saturday 27 June**.

The walk is intended to be a large community event involving students, staff, parents and families from across College. We are aiming for up to 450 participants and hope it will be a fantastic opportunity for our College community to come together, while raising funds for an important cause.

To support the planning and delivery of the event, we will be working in partnership with Canoes, Mountains and Caves, a local outdoor activity provider and a community interest business, who will help ensure the walk is organised safely and effectively.

There will likely be a £20 entry fee per entrant/family, which will go directly to Canoes, Mountains and Caves to assist with the organisation planning and safe delivery of the event.

Please note that any child under the age of 14 must be accompanied by a responsible adult for the duration of the walk.

At this stage, we are writing to gauge interest and gain an idea of potential numbers. There is no commitment required yet, but if you and your family may be interested in taking part in the sponsored walk, please [click here](#) to complete the short expression of interest by **Thursday 26 March** so that we can begin planning the event and estimating numbers.

We hope this will be a memorable and enjoyable event for our whole College community while supporting a charity that is very important to our students.

Thank you in advance for your support.

Yours sincerely

Mrs C Cheshire
Educational Visits and DofE Coordinator
