EMMANUEL COLLEGE
Emmanuel Schools Foundation

24 April 2026

Dear Parents and Carers

As part of Emmanuel College's ongoing commitment to supporting our local community, we are proud to take part in events that make a meaningful difference to the lives of young people and families. Children's cancer is something that has impacted many in our community, both directly and indirectly and we are passionate about standing together to offer support, raise awareness, and contribute to vital causes.

We would love for you and your family to join Team Emmanuel at this year's Children's Cancer Run at Newcastle Racecourse, High Gosforth Park. To learn more about the event and to sign up, please [click here](#).

We recognise that financial pressures are significant for many families, therefore we encourage you to do what you can in terms of sponsorship. While the entry fee covers the cost of the event, it is fundraising that truly makes a difference in improving the lives of children and young people with cancer in the North East and Cumbria. If you are able to raise funds, you can do so using the paper sponsor forms provided or the online fundraising page created during registration. Every contribution, no matter how small, will make a difference.

Your run pack, including race numbers, children's t-shirts, and start times, will be sent home with your child during the week before the event.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Mr P Ingham
Director of Sport
